My Friend

I have a new friend at school. She can't walk so she uses a wheelchair to get around. She comes to school in a special van that can transport four people who use wheelchairs. The van brings my friend and another boy to school. My friend is in third grade with me and the boy is a fourth grader.

I like to watch my friend get in and out of the van. The driver pushes a button and part of the van floor lowers to the driveway to form a ramp. My friend just wheels up the ramp and goes inside. After she is inside, the driver pushes the button and the ramp puts itself away. When it is time to get out of the van, they do the same thing again. Sometimes I help open the door so she can roll right inside.

My friend and I do everything together. Our teacher lets us sit together in the front row, and we always go to lunch together. My friend moves so fast down the hall that she always gets the best seats in the cafeteria. Sometimes we trade sandwiches. At recess, we always play on the same team. My friend sure has strong arms. She hardly ever misses a shot when we play basketball and she can throw the farthest of anyone in third grade.

Going to Family Camp

My favorite part of family camp is the campfire program at the lake. We wait until the stars and moon are out. We walk down to the edge of the water where a big bonfire is going. We all snuggle together watching the flames because it's cold after dark.

The camp director leads everyone in songs. He plays the banjo. We sing "You are My Sunshine," and "She'll be Coming Around the Mountain." Then he divides the group in two and we sing rounds like "Row, Row, Row Your Boat" and "Are You Sleeping?"

Then we have stories and skits. The stories are ^{unusual} usually tales about campers at family camp in ⁸ previous years, and a funny or brave thing that they did. One story was about my older brother rescuing a cat. The skits are always silly.

When the campfire burns down to coals, it's time to toast marshmallows. Some people like their marshmallows golden brown. Other people like theirs crispy. Some kids can't wait to toast them and eat their marshmallows right out of the bag. We toast marshmallows to make 'Some Mores.' 'Some Mores' are graham crackers with chocolate that is topped with a hot marshmallow. They taste so good you want some more, but they are really sticky! Everyone has to wash up before bed.

Now we are all sleepy and ready to go back to our cabin. We stand together and sing a song called "Taps." My mom and dad say they have been singing "Taps" at campfires since they were little kids like me.

Planting a Garden

We eat lots of fresh vegetables at our house. Mom is an excellent cook and she has lots of recipes for making them taste delicious. Sometimes ^{there} they are expensive to buy at the store so Dad suggested we grow our own.

Dad asked all the members of my family what our favorite vegetables were. I said ^B carrots, broccoli, and beans. My mother likes tomatoes the best. Dad said he wanted to grow green ^A onions, spinach, potatoes, and corn.

We went to the hardware store and bought seeds ^O and little broccoli and tomato plants. We all helped prepare the garden in our backyard. We turned over the dirt with shovels. Then we used a hoe to make little ditches for planting the vegetable seeds. We dug deeper holes for the broccoli and tomatoes. We watered everything and sprinkled some fertilizer around.

I checked the garden every day to see if any vegetables were coming up. After about a week I saw tiny green leaves where the carrots were planted. Then each day more seeds sprouted.

In two months we could eat the spinach, onions, and broccoli. It was almost the end of summer before we could harvest the other vegetables. Everything we grew in our garden was delicious. It was worth the wait, especially for the fresh green beans that my mother cooked with bacon and onion. My dad said the corn was the best he ever tasted.

- 1: BENCHMARK GOALS FOR THIS MEASURE HAVE NOT YET BEEN ESTABLISHED. Preliminary evidence indicates that for students to be on track with comprehension they should meet both of the following criteria: 1) meet the Oral Reading Fluency benchmark goal and 2) have a retell score of at least 25% of their Oral Reading Fluency score.
- 2: BENCHMARK GOALS FOR THIS MEASURE HAVE NOT BEEN ESTABLISHED. Tentatively, students in the lowest 20 percent of a school district using local norms should be considered at risk for poor language and reading outcomes, and those between the 20th and percentile and 40th percentile should be considered at some risk.
